

Umpqua Visions

A Community Dialog

*Join our conversation to explore
the future economic development
and sustainability potential
of the Umpqua Region.*

"If communities fail to plan effectively for new growth and development, they will be unprepared to take advantage of the new economic development opportunities as they become available."

– William Malkasian,
President, Wisconsin
Realtors Association

"We do not inherit the Earth from our parents, we borrow it from our children."

– Native American
proverb

September 26, 7 p.m.
